DOCUMENTATION

COMPUTER REPAIR SHOP

Our Computer Repair shop program offers both repair services and computer spare parts. Whether your computer needs fixing or an upgrade, we've got you covered. Our program goal is to provide easy and reliable solutions to keep your computer running smoothly.

We name our computer repair system "Xvidia" stands for "eXpert Help with Video, Data, and Hardware." This means our computer repair shop program offers expert assistance with video, data, and hardware issues. It covers everything from fixing software problems to diagnosing and replacing hardware, providing complete solutions for customers.

"Xvidia" represents our computer repair program, symbolized by the colors #003A37, #FOFFF0, and 2F4F4F. These colors reflect our expertise in fixing computers efficiently and creating a welcoming environment for our customers.

Admin Account

The Admin Account dashboard features a green header with the text "WELCOME ADMIN!". On the left, there is a dark sidebar with two yellow buttons: "Edit User" and "Add User". The main area displays a table of users with the following columns: UserID, Username, Name, Gender, Age, Role, Hash-Password, Address, ContactNumber, and Availability. The table contains 7 rows of user data. A red "Log Out" button is located in the bottom right corner.

UserID	Username	Name	Gender	Age	Role	Hash-Password	Address	ContactNumber	Availability
7	admin	admin	Male	25	Admin	JhGPaSaT...		0	Unavailable
8	manager	manager	Female	23	Manager	hm5FvYzqK...		0	Unavailable

17	juan	demet		21	User	pmVWWSBC...	qweqwe	9	Unavailable

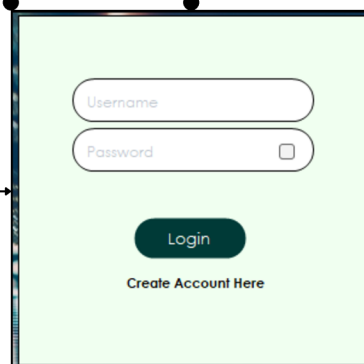

Manager Account

The Manager Account dashboard features a blue header with the text "WELCOME MANAGER!". On the left, there is a dark sidebar with four yellow buttons: "Sales", "Stocks", "Service", and "Supply". A white "Log Out" button is located at the bottom of the sidebar. The main area displays a background image of a hand holding a circuit board.

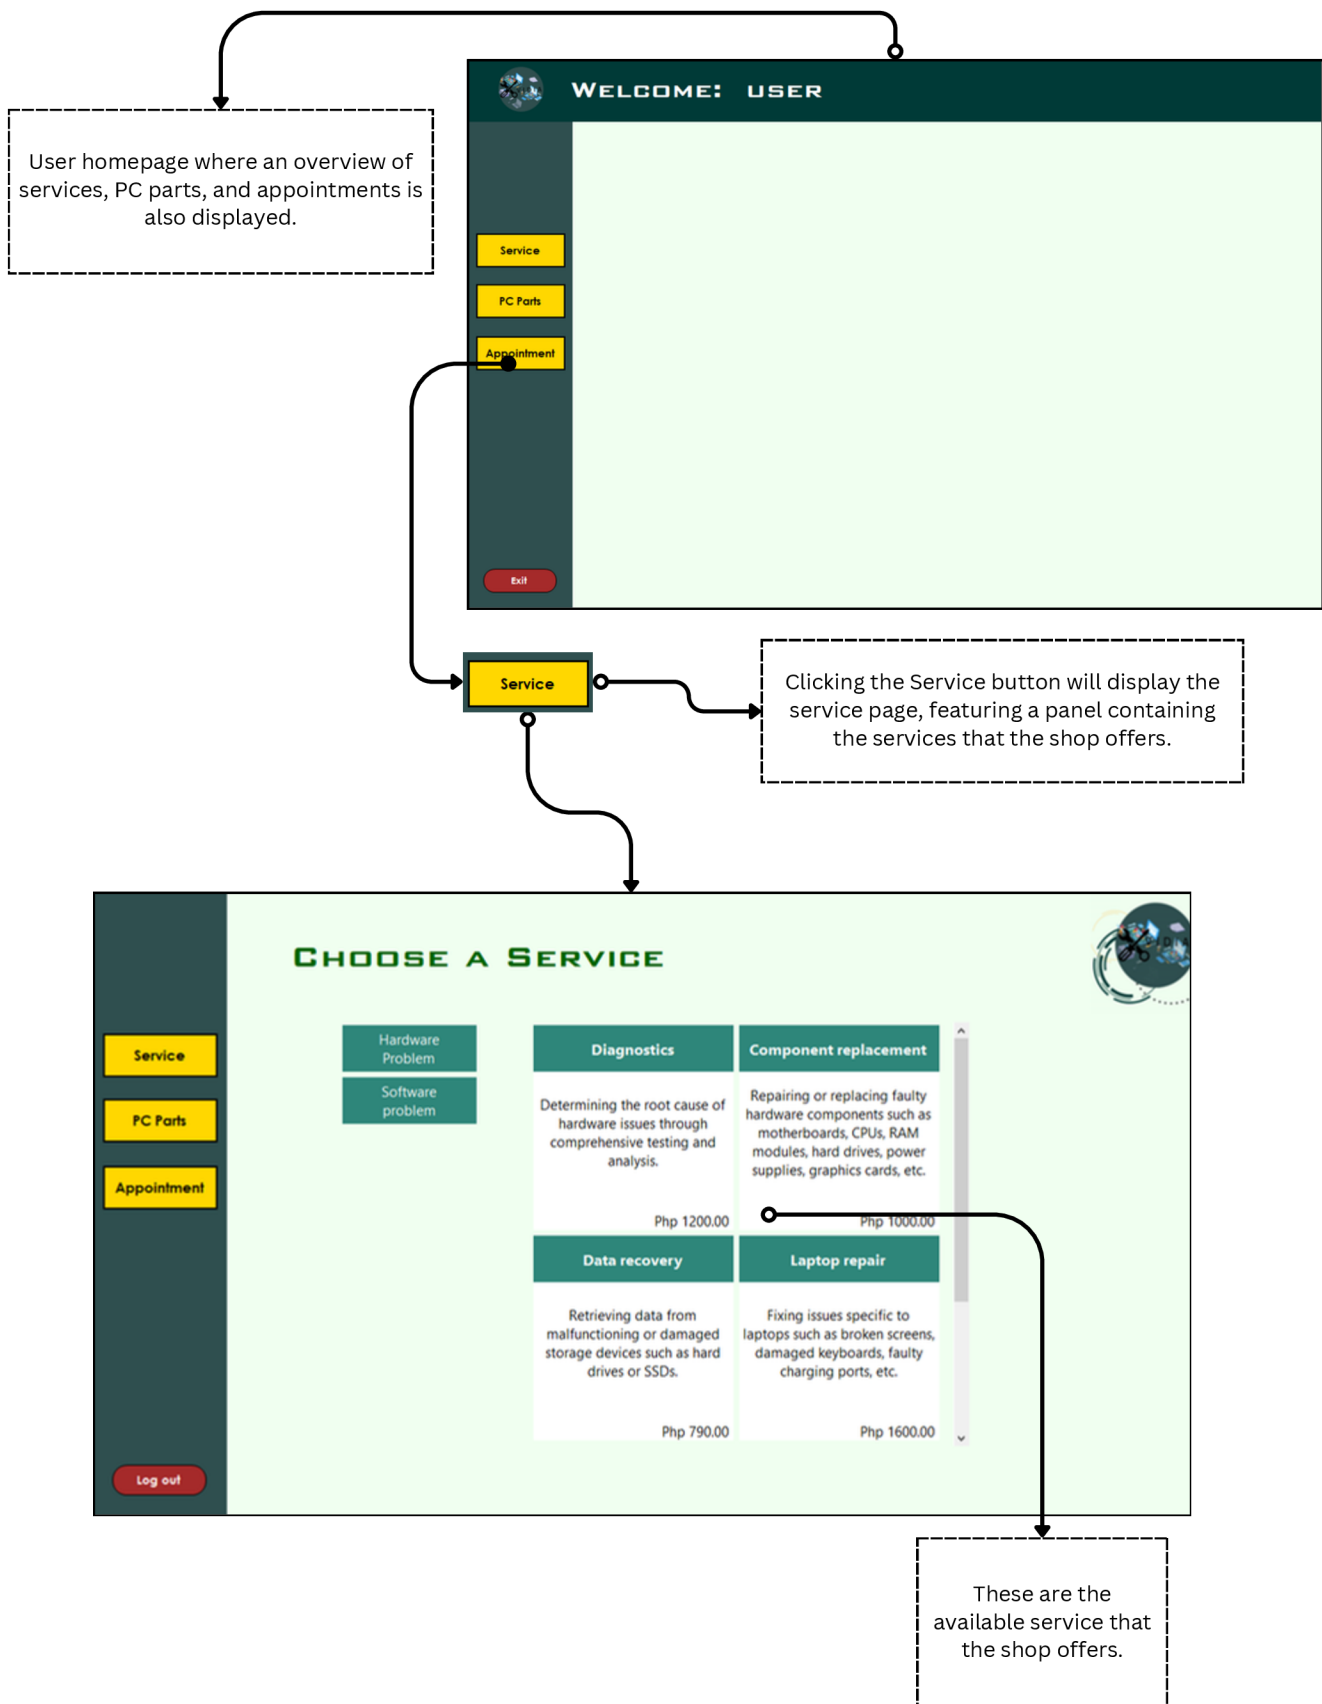

The homepage banner features a background image of a hand holding a circuit board. The text "WELCOME TO XVIDIA" is displayed in the top right corner, with a "LOG IN" button next to it. The main text reads "WE ARE HERE TO REPAIR, RENEW, RESTORE." Below this, a smaller text block states: "At X-vidia, we're your trusted tech ally, dedicated to solving your computer woes with expertise and care. Count on us to bring your devices back to life and keep you seamlessly connected."

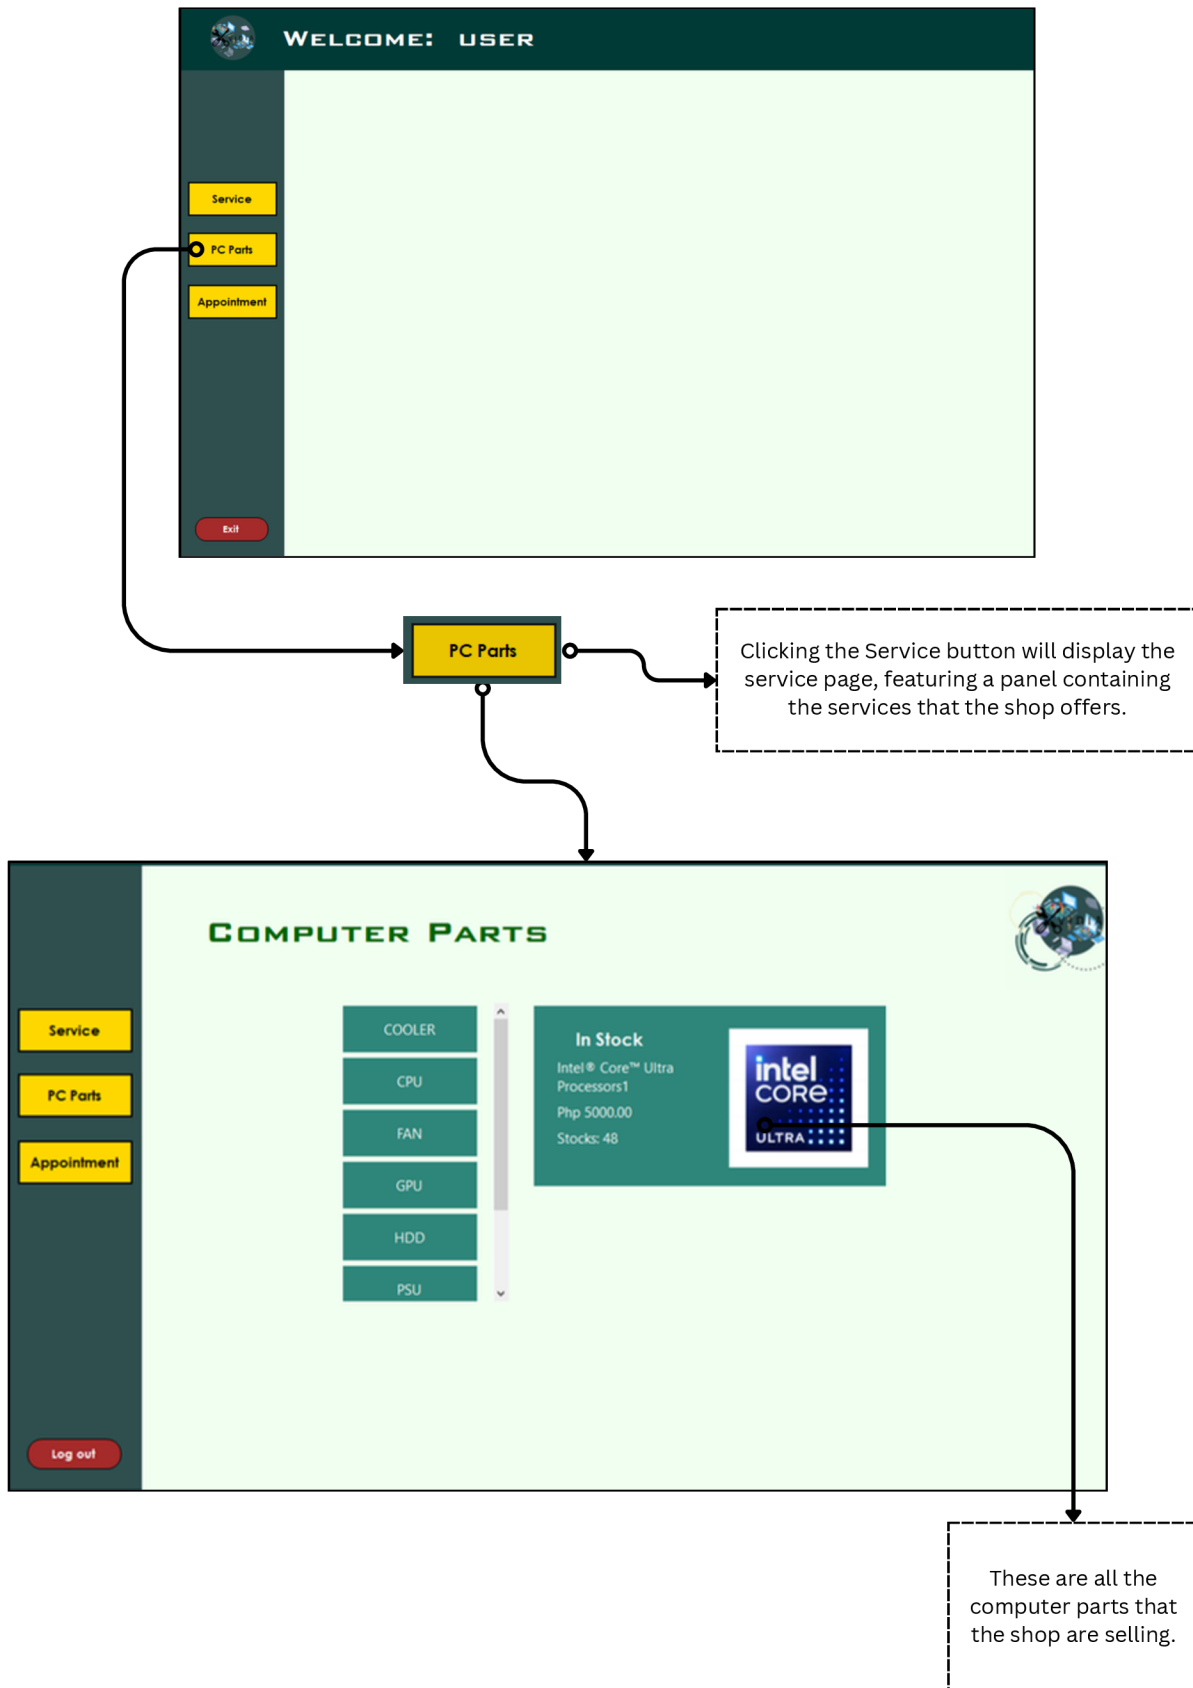

The login form is a light green box with a white border. It contains two input fields: "Username" and "Password". The "Password" field has a toggle icon for showing/hiding the password. Below the fields is a green "Login" button. At the bottom, there is a link that says "Create Account Here".

Supply

The screenshot displays the 'SUPPLY' management interface. On the left, a sidebar contains navigation buttons for 'Sales', 'Stocks', 'Service', 'Supply', and a 'Log Out' button. The main content area is divided into three sections. The top-left section shows a vertical list of categories: COOLER, CPU, FAN, GPU, and HDD. The top-right section displays product details for 'Intel Core Ultra Processors1', including 'Stock: 48', 'Availability: In Stock', and 'Price: 5000.00'. The bottom section is a form for adding new PC parts, featuring input fields for 'Product Name', 'Price', and 'Product Category', a circular image placeholder, and buttons for 'Choose Image' and 'Save'. A 'Category Name' input field with a 'Save' button is also present in the center of the form area.

This is for adding a category
for a new set of PC parts that
will fall on the same category

This where new PC parts are
being added
